# Update on Deliverables, Projects and Documentation

---

- ◉ Registry workflow system work progressing. Private Enterprise Number (PEN) request-submission/processing component planned for launch in November 2022.
- ◉ The Public Comment period for the FY24 PTI Operating Plan & Budget has been extended until 17 November 2022.
- ◉ Designated experts contact outreach: We began contacting active/inactive experts in July. The purpose of this outreach is to confirm their email address and availability. We're also asking them to suggest additional/replacement experts (if appropriate), soliciting feedback, and providing information about IANA processes.

# IANA Services and DNSSEC

---

As of 28 October 2022, 1362 TLDs have a full chain of trust from the root.
